

## Associate Benefits

The Center welcomes any government agency, departments at colleges or universities, or other types of 501(c) nonprofits such as chambers of commerce that want to support us in serving North Carolina's robust nonprofit sector. As an Associate, your annual donation helps the Center provide nonprofits with affordable technical assistance, pro bono services, information, and training programs. Associates receive recognition and complimentary benefits.

A twelve-month affiliation as an Associate with the Center is \$250 and includes access to:

- *Nonprofit Policy Matters* weekly e-newsletter on timely information you must know about proposed state and federal legislation that directly impacts the nonprofit sector.
- **Discounts on job posts** to our popular NC Nonprofit Careers jobs board (+600,000 pageviews per year) and **discounts on advertising opportunities** with the Center to reach our nonprofit Members.
- **Discounts on registration fees** to attend the Center's workshops, events, and conference. Our annual statewide Conference for North Carolina's Nonprofit Sector will be held in the Triangle area during late fall 2021.

**Associate fee: \$250**
