

Marsh McLennan Agency (MMA) understands the unique challenges of employers in the non-profit space, and we are proud to be the exclusive employee benefits partner for NCCNP.

NCCNP member benefits

MMA offers NCCNP members a unique program designed to reduce costs and create administrative efficiencies through tools and resources when partnering with MMA as your benefits consultant. Through our carrier partners, you can expect the following immediate cost savings:

- Dental & Vision plans will be matched and include a 5% discount in premium
- Life & Disability plans will be matched and include a 10% discount in premium
- NCCNP members have their experience pooled together, as one large group, to assist in keeping the renewal levels stable
- Access to enhanced Employee Assistance Program (EAP) benefits at a significantly reduced member rate

Additional benefits

Through in-house resources and vendor partners, we are pleased to provide NCCNP Members complimentary benefits tools such as:

-  Benefit Administration portal to support payroll, eligibility, enrollment, ACA reporting and more
-  Employee Assistance Program (EAP) for enhanced mental health resources and support
-  Timely access to COVID resources, compliance webinars, and helpful employer guides
-  On-demand videos to support open enrollment and 100+ video library to drive benefit education
-  Digital benefits guide to support mobile and remote employees

Your future is limitless.SM

About MMA

Our involvement in non-profit and social service organizations extends beyond a transactional relationship. We're involved because we believe that non-profit organizations change lives and communities.

Today we are pleased to partner with over 120 non-profits in NC and are looking forward to partnering with more.
