## Q1 About Candidates

Candidate Name	<b>Rep. Frank Iler</b>
District	<b>District 17</b>
Party Affiliation	<b>Republican</b>
Campaign Website	<b>ilerforhouse.com</b>

---

## Q2 What has been your personal experience with nonprofits as a board member, employee, volunteer, or donor? How do these experiences shape your policy positions? (Limit: 300 words)

A trustee of Brunswick Community College, as well as Communities in Schools, and a donor to each one. i recognize the value of people organizing and contributing to their communities without the government forcing them.

---

## Q3 If elected, what would be your top three policy priorities? (Limit: 250 words)

Education, both on the Education K-12 committee, and for community colleges to be treated fairly when compared with the Universities. Second, infrastructure, including roads and bridges, is a priority every session. I chair the House Committees on Transportation, Transportation Appropriations, and Joint Legislative Transportation Oversight, and I am involved heavily in this effort.

---

## Q4 What is your position on these tax issues that affect charitable nonprofits?

Preserving or expanding tax exemption for charitable nonprofits **5 (strongly support)**

Encouraging individuals and businesses to give generously to nonprofits serving their communities **5 (strongly support)**

Please add any comments about tax policies that affect nonprofits. (Limit: 250 words):

I believe that the tax deductibility of charitable contributions should be maximized. Our tax policies have lowered rates, so hopefully people can give more, voluntarily.

---

## Q5 What policies would you propose to promote continued job growth for private employers, including both nonprofit and for-profit business employers? (Limit: 250 words)

We should continue to lower state tax rates, and let people invest more their money in businesses and in voluntary contributions. This will create jobs in all sectors of the economy.
