Q1 About Candidates

Candidate Name	Wendy Sellars

Party Affiliation	Democrat
Campaign Website	www.sellarsfornc.com

Q2 What has been your personal experience with nonprofits as a board member, employee, volunteer, or donor? How do these experiences shape your policy positions? (Limit: 300 words)

I have served on several non-profit boards in my community. They work hard everyday to provide a resource that helps citizens. They are a much needed part of every community.

Q3 If elected, what would be your top three policy priorities? (Limit: 250 words)

To make sure that NC improves their public schools and per pupil funding. To make sure that every citizen in NC has affordable healthcare for them and their families. That NC implements solutions to solve the opioid and mental health crisis overtaking our state.

Q4 What is your position on these tax issues that affect charitable nonprofits?

Preserving or expanding tax exemption for charitable nonprofits	5 (strongly support)
Encouraging individuals and businesses to give generously to nonprofits serving their communities	5 (strongly support)

Q5 What policies would you propose to promote continued job growth for private employers, including both nonprofit and for-profit business employers? (Limit: 250 words)

Making sure that NC cuts down on the red tape that non-profits and for-profits have to go through to start new businesses. We need individuals who help by walking individuals through the process. I would also like to see new non profits given a opportunity to receive funding and grants from the state.
